Call to order at 9:40 a.m.

Minutes from September 18, 2013:

- The minutes were presented for review.
MOTION to approve the September 18, 2013 minutes was brought by Paul Sprouse and seconded by Susan Brengle. All approved. Motion passed.

President's Report:

- Still trying to get the membership code from the WA State PTA to see who has paid membership fees and registration. The president will contact the State office.
- Six out of our eight schools have paid their PTA registration fees.
- Every local unit has been trained as a whole, but there are some individuals that still need to take their own training.
- Several PTA's have won bronze awards for membership.
- Snoqualmie Valley Community Network would like Council to endorse/sponsor (not sure on the wording) their Parent Guide going out to parents before MSHS Homecoming. Council does have a line item, "Community Education" that council can spend if the Network needs sponsorship. Council President will check on what position they want us to take.
- The Assistant Superintendent contacted Council to speak at Council's next general meeting in January 2014. Two issues are coming up:
 - Update on teacher evaluations
 - MSP testing is changing to SBA (Smarter Balanced Assessment) and the common core standards – will begin the 2014-2015 school year.
- Council may invite school Superintendent to January General Meeting to talk about the levies and bonds on for the spring ballot.

Treasurer's Report:

- Financial reports were reviewed.
- In the process of collecting local units' registration
- Bank balance as of today is \$5,529.52.
